CHEAPLEAD

EMAIL FINDER WEBSITE & EXTENSION

LAGOS, NIGERIA

The image shows two side-by-side screenshots of the Cheaplead platform. On the left is the mobile website, featuring a large yellow ant icon, a main heading "Pull bulk leads in a jiffy...", a subtext about aiding business growth, and two buttons: "Get started for free" and "Get a Demo?". On the right is the desktop extension interface, which has a similar layout but includes navigation links for "PRICING", "SIGN UP", and "LOG IN", along with a prominent "ADD TO CHROME (it's free)" button.

This section highlights the "Fast Domain Fetcher" feature. It includes a descriptive text block, a small illustration of a person sitting at a desk with a laptop, and a larger inset showing a person interacting with a digital interface displaying search results.

button, just place a "url" and click the "start pulling" button below.

Fast Domain Fetcher.

This feature is the most impressive, most sophisticated, and the fastest section of the app, it works well with the world largest online B2B marketplace, [Alibaba.com](#). its speed is sky rocketing.
